

Bill Hart District Camporee
May 13-15, 2011
RESULTS

Attached are the detailed results for the 2011 Bill Hart District Camporee.

Please note:

1. Tie breakers were required for many events. For reference, the established order of tiebreakers was as follows:
 - Leadership score in the event
 - Spirit score in the event
 - Skill score in the event
 - Patrol's uniform inspection score
 - Patrol's campsite inspection scoreIn some events, the tiebreaker scores above were all the same, so ties were declared.
2. Ties were broken for the patrol inspection event by using each patrol's overall competition points in this order: Leadership, Spirit, Skill.
3. Where tiebreakers came into play, these are circled on the attached score sheets.
4. The black powder shooting event was removed from the competition before the competition started.

There will be an opportunity for follow-up discussion, probably at the next district roundtable. All are invited to attend and share their observations and suggestions for the future.

Thanks to all who participated and helped make this a great event!
